Pre-Retirement Seminars

For railroad employees and spouses
within five years of retirement

About Pre-Retirement Seminars

The RRB's Pre-Retirement Seminar program is designed to help educate those nearing retirement about the benefits available to them, and what to expect during the application process. Our benefit experts are available at each seminar to answer questions from program attendees, who receive a seminar kit full of helpful materials. Sponsored by the Office of the Labor Member, this program is offered in more than 30 RRB-serviced localities across the country every year. Registration is required.

What to bring

If you have not yet submitted any of the documents required in order to file a railroad retirement application (such as proof of age, marriage, or military service), please bring the original records or certified copies with you, along with an additional copy of each item to leave behind with our staff.

How to register

Due to limited space, registration is required. Visit [RRB.gov/PRS](https://www.rrb.gov/PRS) to register for a seminar being held this spring (schedule listed below). Event details and registration will be available approximately 60 days in advance.
